Please Pray For The Sherwood Family!

It is hard to believe that September is already here. July & August went by so fast. We just finished 3 months of services now in Boise Idaho and the Lord has been so faithful to help us to accomplish his work. We have had many different visitors to come, most have been first time visitors and have not continued to attend services regularly. We have had a high attendance of 22 on one service and a low of 4 on our lowest service. We have had an average of 7 on a fairly regular basis. We live in a day where it is so hard to get people to become faithful, so many just come and go as they please, and live as if there is no tomorrow to answer for the things that we must all answer for. I don't look forward to The Judgment seat of Christ for so much of the time that I have wasted in my life, but I am so glad that God has enabled me in His ministry to stay faithful to His work and His will for my life. I am looking forward to the day when we will be able to lay down our cross

and trade it for a crown one day. My life verse is: *Philippians 2:16* "Holding forth the word of life; that I may rejoice in the day of Christ, that I have not run in vain, neither laboured in vain." The longer I live in this world I find myself, like Abraham, looking for a city, whose builder and maker is God, and a new earth, wherein dwelleth righteousness! I want to thank each of you for your faithfulness in prayers & financial support. I have heard from several that have called just to say that they have been praying for us, and several that have given

financially to help with the needs. From the bottom of our heart we want to say "Thank You"! Please continue to pray that some man would help me in the work so that I can canvas & knock doors more than I can by myself. I have been faithful to preach, and God has been faithful to prove, we just need other men who will be faithful to prepare their hearts to serve the Lord! Also please remember the \$1,900 financial need yet to pay for our baby birth next month. Please help me pray that God would continue to make me like Noah: A Preacher of Righteousness!!!
