Please Pray For The Sherwood Family!

I stand amazed at how time flies! No wonder why the Lord told us in His Word to "Redeem The Time"! It has been truly amazing to watch God work in our lives, and to work out everything according to His purpose. We have just finished a month of services with the new church plant in Boise, ID. We had 16 people in our first service on June 05, and had 6 people to come back on the Sunday PM service. We have had a high of 17 people thus far, and we are averaging around 12 people in every service. We are currently holding 3 services a week on Sunday AM, PM, and Friday PM. The people seem to be very hungry for the Word, and they are eating it up as fast as I can give it to them. All I can say is "Thank God for counting me worthy, putting me into His ministry". It is truly an honor to serve the King of kings, and Lord of Lords. I served the United States Marine Corps for 4 years, but it has been my utmost joy to serve the Lord in full time service now for the past 10 years! He has al-

ways been faithful and He has never let us down. We are excited & expecting to see God do some great things with his church here in Boise Idaho in the upcoming days ahead. I preached a message not long ago on "Looking Up Into Heaven In 2011". God helped me & my wife so much with that message. I know that in these last days while the critics are throwing the stones, just as they did at Stephen, we must do as he did, and look up into heaven and see Jesus standing for us as we are living for Him! When we do that we can then pray

the same prayer that Stephen prayed for those that were stoning him: "Lord, lay not this sin to their charge." God has been so good to us, and He deserves 100% of our lives until the death. What a glorious reunion day that will be in reality in our New & Eternal home one day soon! We want to thank all of our faithful supporters for your prayers & financial help. We know that God uses His people to fulfil His will & accomplish His work on this earth. Please Update Our New Mailing Address: 1577 N. Linder Rd. #137 Kuna, ID 83634. We no longer receive mail in SD.
