Please Pray For The Sherwood Family!

It is hard to believe that November is already here. September & October went by so fast. The last prayer letter that we wrote, there was only 4 of us. It is hard to believe that there is now 5 of us. Our latest baby girl, Jerika Joslyn Sherwood was born in our home on Sunday September 11th 2011. We took 09/11 back for the Glory of God! I am so glad to be constantly reminded by the LORD that He is Still On The Throne! Praise God! Amen! Apparently they had the due date wrong, as so often they do. The midwife got concerned about the baby being a month early and during the delivery became afraid that we needed to rush to the hospital for an emergency. I am so Glad that I could hear the Lord speak to my heart & I trusted Him. I told the midwife there would be no need for that, the Lord has confirmed in my heart what I already believed: that He Was In Control, and that He is The Giver Of Life. She then calmed down & said OK, let's go with God and we found out that Once Again,

God's Timing was Right. Baby Jerika was not a month early, she was right on time when God wanted her here, Praise God for His Goodness in our lives! God has truly done abundantly and exceedingly above all that we could ask or think. Me & my wife have sung a song for years that has become our life-long song: "The Lord Has Blessed Me In So Many Ways", and truly the months of September & October have been no different. The song says "He's my Friend, He's

my Guide, He's My Shepherd, He's my Life". The Lord Is Our Life, we would not even Have Life without Him! We continue on with the work in Boise Idaho, God has been faithful! We have one faithful lady that is there for Every Service, her name is Ms. Bev Bain. The others just come when they feel like it, so the crowd has stayed pretty thin this past month. I have been told that: One Man & God is a Majority and I believe it as I have seen God work much in my life! Pray that Men would hearken to the Voice of God!
